Avondale Country Club

<http://www.avondalegolfclub.com/>

Avondale Golf Club HOA is proud to be one of the first communities having a private golf club and course within its community here in the desert. It is a close-knit community of old and new friends sharing common interests including an admiration for golf and an active social lifestyle. The golf course which winds its way among 305 privately owned custom and semi-custom homes is a hidden gem which some refer to as "one of the best keep secrets in the desert." We hope you will choose Avondale as a place to call home and enjoy the casual and club lifestyle we all appreciate.
